# Quality Objectives

---

---

We are committed to:

Continually reduce the occurrences of undesirable raw material arriving from suppliers (through approval screening of manufacturers and by encouraging them toward continual improvement resulting in a more consistent product).

Continually improve the quality of our products (by annually reducing external NCRs and by annually increasing preventative actions).

Perform scheduled reviews with major clients, as required to maintain continual awareness of our client's needs and product concerns.

MANUFACTURING

The logo for Bristeel Manufacturing features the word "bristeel" in a bold, lowercase, sans-serif font. The "bri" is in yellow, and "steel" is in white. Below it, the word "MANUFACTURING" is written in a smaller, uppercase, sans-serif font, also in white. The entire logo is set against a black background with a white border.
